NOTICE OF DEEMED CONSENT TO HIV BLOOD TESTING

A law was enacted in Virginia in 1989 which authorizes health care providers to test their patients for HIV antibodies when the health care provider is exposed to the body of fluids of a patient in a manner which may transmit human immunodeficiency virus (HIV). Pursuant to this law, in the event of an exposure, you will be deemed to have consented to such testing, and the release of the test results to the health care provider who may have been exposed. However, you would be informed before your blood is tested for HIV antibodies, the testing would be explained to you and you would be given the opportunity to ask questions you might have.

I have read and understand the above "Notice if Deemed Consent to HIV Blood Testing."

FINANCIAL POLICY

The following are our conditions of registration as well as our policies with respect to the billing and collections of your account. By signing below, you are agreeing to be bound by these terms.

- + **Basic Financial Policy:** Payment is due and payable at the time of service is provided unless other arrangements have been made.
- + **For Patients with Insurance:** All co-payments and deductibles are due at the time of service. We may bill insurance carriers for you if we have a current contract with your carrier. Given that the agreement with your insurance carrier is a private one, we do not routinely research why an insurance carrier has not paid or why it paid less than anticipated for care. If an insurance carrier has not paid within 60 days of billing, our fees are due and payable in full from you. We will call your insurance to verify coverage and eligibility.
- + **For Patients with Medicare:** All co-payments and deductibles are due and payable at the time of service. We will bill Medicare for you. We may also bill secondary insurance carriers for you.
- + **Non-Covered Services:** Any care not paid for by your existing insurance coverage will require payment in full at the time services are provided or immediately upon notice of insurance claim denial.
- + **Returned Checks:** In addition to the face value of the check, for each check returned to us by your bank, you will be assessed a “bank returned check fee” equal to the amount charged to us by our bank, plus a \$35 processing fee.
- + **Missed Appointments:** In fairness to other patients and the doctor, we require at least 24 hours’ notice to cancel an appointment. We reserve the right to charge you \$25 for each appointment that was missed or not canceled within 24 hours’ notice.
- + **Unpaid Balances:** Charges reflected on billing statements are agreed to be correct and reasonable unless disputed in writing within (30) days of the billing date. If your unpaid balance is turned over to an attorney or collection agency for collection, you agree to pay all costs associated with collection, to include attorney fees equal to 33.33% of the unpaid balance.

In Medicare assigned cases, the provider or supplier agrees to accept the charge determination of the Medicare carrier as the full charge, and that I am responsible for the deductible, coinsurance, and any noncovered services.
